Base station connection will be terminated to the NNI that is situated in the same Elisa's SMP region. If customer's NNI is situated in different Elisa's SMP region than the Base station connection, the connection will be priced case-by-case. Prices apply to the connections to Elisa's existing network.

Base station connections will be terminated to Operator NNI Service Mobile L2 10G or 100G. Mobile NNI prices are available at the Elisa NNI Services price list.

All prices in this price list are exclusive of tax. VAT and any other taxes and other payments stipulated by the authorities will be added to the prices shown here.

The price list is valid from 1 November 2020 and is valid for the time being. Elisa's General Terms for Operator products will be applied to the agreement.
