

Power of attorney for number porting

You have ordered the transfer of your current phone number to new Elisa's subscription. The transfer was not successful because, according to your current operator the subscription is not owned by you or your company. For the transfer, we need this power of attorney filled out. In addition to your own signature, the form must be signed by the number's current contract owner.

1. Fill in all the fields below and send us the signed form. You can find the instructions for returning at the end of the form.
2. The power of attorney will be processed within four business days of its receipt. We will notify the number to be transferred by text message when the power of attorney has been processed.
3. Once we have processed the power of attorney, the number transfer will restart. You will receive text messages about the progress of the number transfer. Note! If you have received a text message or letter about the expiration of the order, make a new order at elisa.fi or call our sales service at 0800 939393, in addition to this power of attorney.

The undersigned accept that the phone number mentioned in the form will be transferred to the new contract owner once it has been transferred to Elisa. The new and old contract owners will confirm the change with their signatures.

Phone number to be transferred: _____

Information of the number's current contract owner:

Customer/company name: _____

Customer SSN or company code: _____

Signature and clarification of name*: _____

Information of the number's new contract owner:

Customer/company name: _____
